ARUF

MULTI-POSITION MULTI-SPEED AIR HANDLER

GET THE MOST OUT OF YOUR HEATING AND COOLING SYSTEM

You've taken care to select reliable, long-lasting heating and cooling equipment for your household. Take that attention to quality one step farther by choosing a McClure brand ARUF Air Handler. The ARUF Air Handler features a check flowrate expansion device and housed in a rust-resistant, fully insulated steel cabinet with painted front panels. McClure air handlers help ensure that your heating and cooling system will provide your family with reliable, efficient comfort for years to come.

EXCEPTIONAL WARRANTIES*

With the exceptional materials, engineering and workmanship that are part of every McClure product, we confidently back our air conditioners with reassuringly strong limited warranties,* a testimony to our faith in the quality of this product.

This unit is backed by a 10-Year Parts Limited Warranty.*

To receive the Lifetime Heat Exchanger Limited Warranty (good for as long as you own your home), 10-Year Unit Replacement Limited Warranty and 10-year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California or Quebec. Complete online registration at www.McClureAir.com

MULTI-POSITION MULTI-SPEED AIR HANDLER

R-410A REFRIGERANT

Your new McClure brand ARUF Air Handler will not only provide you with cooling performance for many years, but it also features R-410A refrigerant. Since this refrigerant does not contain chlorine, it is more environmentally friendly than R-22 refrigerant.

ADDITIONAL INFORMATION

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.
