AVPTC

VARIABLE-SPEED MULTI-POSITION AIR HANDLER

GET THE MOST OUT OF YOUR HEATING AND COOLING SYSTEM

The McClure Air AVPTC Modular Blower is tailor-made for exceptional energy efficiency. This blower is designed with quality components and assembled with excellent craftsmanship. It features a variable-speed blower motor that enables more even distribution of the air from room-to-room and floor-to-ceiling, reducing the likelihood of hot and cold spots in the house. Plus – the AVPTC is ComfortNet™ Communicating Systems compatible.

EXCEPTIONAL WARRANTIES*

With the exceptional materials, engineering and workmanship that are part of every McClure Air product, we confidently back our air conditioners with reassuringly strong limited warranties,* a testimony to our faith in the quality of this product. This unit is backed by a 10-Year Parts Limited Warranty.*

FEATURES

- ComfortNet™ Communicating System-compatible
- 1.5 to 5-ton blower capacities
- High-efficiency, variable-speed ECM motor
- Embossed cabinet and doors increase cabinet strength
- Foil-faced insulation internally covers the entire blower case reducing operating sound and cabinet condensation potential
- Easily convertible multi-position airflow: upflow, downflow or horizontal
- Tool-less filter access
- AHRI Certified; ETL Listed AVPTC Features
- All-ALUMINUM evaporator coil
- Screw-less sides and back further reduce cabinet condensation potential
- Transformer and blower time-delay
- Multiple electrical knockouts
- Field-installed electric heat from 3-25 kW
- Coil-mounting track for quick 4-way repositioning
- 21" depth for easier attic access

* McClure warranty details available from your local McClure dealer. To receive the Lifetime Heat Exchanger Limited Warranty (good for as long as you own your home), 10-Year Unit Replacement Limited Warranty and 10-year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California or Quebec. Complete online registration at www.McClureAir.com

VARIABLE-SPEED MODULAR BLOWER

R-410A REFRIGERANT

Your new McClure Air brand AVPTC Modular Blower will not only provide you with cooling performance for many years, but it also features R-410A refrigerant. Since this refrigerant does not contain chlorine, it is more environmentally friendly than R-22 refrigerant.

ADDITIONAL INFORMATION

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

COMMITMENT TO QUALITY ENGINEERING

Your air conditioner is compatible with the ComfortNet™ system of communicating products. With a large assortment of built-in features, it can auto-configure, monitor and review data from the system. This allows for optimum performance and accurate detection of any system-related issue.
