# DSXC16

TWO-STAGE HIGH-EFFICIENCY  
R-410A AIR CONDITIONERS

UP TO  
**16**  
SEER

## ENERGY-SAVING EFFICIENCY

When properly matched and installed, your **<BRAND>** brand DSXC16 Air Conditioner offers up to 16 SEER high-efficiency performance. "SEER" stands for Seasonal Energy Efficiency Ratio, a measure used by the U.S. Department of Energy to rate the efficiency of air conditioners and heat pumps. The higher the SEER, the greater the efficiency – and the lower the operating cost. In many applications, the efficiency of your **<BRAND>** brand DSXC16 Air Conditioner can be enhanced by using it in conjunction with a **<BRAND>** brand Gas Furnace that includes a variable-speed blower motor. Talk to your **<BRAND>** dealer about opportunities to optimize the efficiency of your new unit.

## EXCEPTIONAL WARRANTIES\*

With the exceptional materials, engineering and workmanship that are part of every **<BRAND>** product, we confidently back our air conditioners with reassuringly strong limited warranties,\* a testimony to our faith in the quality of this product. The **<BRAND>** High-Efficiency Air Conditioner is protected by a Lifetime Compressor Limited Warranty\* (good for as long as you own your home). Additionally, the unit is backed by a 10-Year Unit Replacement Limited Warranty\*: if the unit's compressor fails on the original, registered homeowner during the first 10 years after installation, the homeowner will receive a new, comparable **<BRAND>** unit for free. Furthermore, this unit is protected by a 10-Year Parts Limited Warranty\* on all functional parts.

## FEATURES

- R-410A Chlorine-Free Refrigerant
- ComfortNet™ Communication System Compatible
- Diagnostic Indicator lights and Storage of Six Fault Codes
- High-Performance, High-Efficiency Two-Stage Scroll Compressor
- High-Efficiency Condenser Coil Made of Aluminum Fins and Refrigeration-Grade Copper Tubing
- Factory-Installed Liquid-Line Filter Drier
- Louvered Cabinet Made of Heavy-Gauge Galvanized Steel
- Coil and Ambient Temperature Sensors
- High- and Low-Pressure Switches
- Two-Speed, Super-Quiet Condenser Fan Motor

\* Complete warranty details available from your local dealer or at [www.goodmanmfg.com](http://www.goodmanmfg.com). Online registration is not required in California or Québec.

## TWO-STAGE HIGH-EFFICIENCY R-410A AIR CONDITIONERS

### R-410A REFRIGERANT

Compared to lower SEER, R-22 refrigerant units, your new <BRAND> Air Conditioning system will not only provide you with money-saving cooling performance for many years, but it also features chlorine-free R-410A refrigerant. Introduced in 1995,

R-410A refrigerant has helped increase the durability and reliability of air conditioner compressors.

### ADDITIONAL INFORMATION

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

### COMMITMENT TO QUALITY ENGINEERING

Your air conditioner is compatible with the ComfortNet™ system of communicating products. With a large assortment of built-in features, it can auto-configure, monitor and review data from the system. This allows for optimum performance and accurate detection of any system-related issue.
